Objective

Motivated Full Stack Developer with a passion for learning new technologies. Skilled in front-end development (HTML, CSS, JS, TS, React) and foundational back-end knowledge (Java, Node.js, MySQL, MongoDB, etc.). Eager to expand skills in both front-end and back-end to build efficient, user-friendly solutions. Quick to adapt to challenges and excited to collaborate with teams to deliver high-quality applications. Seeking a dynamic environment to grow, learn, and contribute to the organization's success.

Projects

- **STONE ERP SYSTEM | WARRDEL SOLUTIONS PVT. LTD. | OCT/2024 – PRESENT**

  Project Overview: Developing a web-based ERP application designed to help stone suppliers manage key business functions such as purchase orders (PO), sales, product inventory, accounts, and financial tracking. The platform provides streamlined management of day-to-day operations and supports better decision-making.

  Technologies Used: HTML, CSS, TypeScript, React, Node.js, MySQL, Express, Material-UI (MUI), Bootstrap etc.

  Responsibility:
  - Designing and developing the user interface with React and Material-UI, ensuring an intuitive experience for users managing multiple business functions.
  - Building the front-end using HTML, CSS, and TypeScript for responsive, mobile friendly design.
  - Creating and integrating RESTful APIs with Node.js and Express to handle real-time data interactions for purchase orders, sales, and inventory updates.
  - Utilizing MySQL to design and manage the database structure for product inventory, accounts, and transactions.
  - Ensuring smooth user experience and system performance across various devices and browsers using Bootstrap for responsive design.
  - Collaborating with cross-functional teams to troubleshoot and optimize the platform's functionality.

- **CONTACT MANAGEMENT APP | PRACTICE PROJECT**

  Project Overview: Developed a web application to manage customer join requests and user roles, designed as a practice project to enhance my full-stack development skills. The app includes features for client and super admin data management, allowing the super admin to upload and manage Excel files, which are then parsed and saved based on the client's data. The app also incorporates secure login and role-based access control.

  Technologies Used: HTML, CSS, JavaScript, React, Node.js, Mongoose, Express, Bootstrap.

- **POS APP | PRACTICE PROJECT**

  Project Overview: Developed a Point of Sale (POS) software application focused on handling sales transactions with various features for selecting and managing items. Users can manually select items, scan barcodes, or search by item code. The system also allows for filtering items by category, name, or attributes and provides the ability to apply discounts. Additionally, users can print receipts after completing transactions. This front-end focused project was built to practice and enhance logic development and user interface creation.

  Technologies Used: HTML, CSS, JavaScript, React, Bootstrap.

Skills & Abilities

- **JavaScript**
- **Java Core**
- **Java Advanced**
- **React.JS**
- **Bootstrap**

- **SQL**
- **NODE.JS**
- **MongoDB**
- **React Native**
- **React Electron**

- **Git**
- **Visual Studio Code**
- **Eclipse**
- **IntelliJ**
- **Jira**

Experience

- **JUNIOR FULL STACK DEVELOPER | WARRDEL SOLUTIONS PVT. LTD. | OCT/2024 – PRESENT**
  - Worked on both frontend and backend aspects of web development.
  - Designed and implemented user interfaces using HTML, CSS, JavaScript, Bootstrap, MUI, etc.
  - Managed server-side logic and databases.
  - Collaborated with team members and utilized problem-solving skills.
  - Stayed updated on the latest technologies.
  - Oversaw the entire development process, ensuring professionalism and diligence in all tasks.

- **SALES TEAM LEADER | SANIIRO TECHNOLOGIES PVT. LTD. | MAY/2023 – MARCH/2024**

- **BDM | SANIIRO TECHNOLOGIES PVT. LTD. | FEBRUARY/2022 – APRIL/2023**

- **SALES EXECUTIVE | MDCL (CADBURY)| FEBRUARY/2021 – JANUARY/2022**

Education & Training

- **JAVA FULL STACK DEVELOPMENT | 2024 – PRESENT | GROOT ACADEMY**

- **BACHELOR OF ARTS | 2019 | RU**

- **HIGHER SECONDARY EDUCATION | 2016 | DBN SR. SEC. SCHOOL**

- **SECONDARY EDUCATION | 2014 | DBN SR. SEC. SCHOOL**
